Dear Parent

As we come to the end of the school term we need to update you on the progress of the investigation called for by MEC Lesufi.

The investigation is still underway. We have cooperated fully to ensure a speedy outcome, however for reasons outside of our control this process will continue into the fourth term and we cannot provide any details until it is completed.

With reference to the culture audit, we are in the process of short-listing organisations that can assist us in building a better, more inclusive school.

Yours sincerely
